DP-610-B

Chamfered Cut Diagonal Pliers 6" Long Cut Copper Wire 10 AWG Maximum

ML-NP5-T8

Professional Needle Nose Pliers With 7/8" Long Tapered Jaws

- These tools have very comfortable grips thanks to ergonomically shaped, soft PVC handles that are great for repetitive work.
- Diagonal cutters have precision ground cutting edges which makes cutting a snap, reducing cutting forces and operator fatigue
- Precision pivots & reamed bores ensures smooth opening & closing action.
- Pliers are made with precision ground jaw profiles and serrations
- Mechanical stop prevents over-stressing the jaws when cutting wires
- Patented safety clip to catch excess wire is available on certain models
