RING-CUT ROTO-SKINNER

For Armored or Jacketed Cables
From 1" to 5" O.D. (25mm to 125mm)

The Roto-Skinner is a top-notch compact power tool designed to take out the drudgery out of slitting cables. Prove it to yourself and you'll never look back!

RSK-150 STRAIGHT CUT

RING-CUT

U.S. Patents
#4,267,636 &
#4,142,290

**CAT. NO.
RSK-150RC**

WORK SMARTER, NOT HARDER!

- The **RSK-150RC** uses a battery operated circular saw: simply rotate the **Roto-Skinner** 360° around the cable to make perfect ring-cuts on plastic & metal clad cables.
- Makes it a snap to strip steel or aluminum clad armor cables such as Okonite CLX, Rockbestos, Flexgard, MC or plastic jacketed cables.
- Ring-Cut cables from 1" to 5" OD or 13mm to 125mm.
- Depth of cut can easily be adjusted with a micrometer and locked, Maximum depth of cut 3/8" or 9mm.
- Features convenient inch & metric scales for quickly moving & locking vee-shaped cable guide to the desired size anywhere along the cable.
- Continuous running is made possible by sliding an "O" ring over the safety trigger switch.
- **SC-150 Straight Cut Adapter** converts **RSK-150RC** to straight cut mode. Switch between straight & ring-cut quickly with a removable Quick-Pin
- Uses removable battery pack #BP-152 which can be fully recharged in 1 hour. (Battery pack and charger not included)
- A full charge will give about 2 hours of use (depending on material cut)
- The cordless low voltage Roto-Skinner is ideal for damp locations. Plus there's no line cord - you have total freedom of movement and portability.

Specifications:

- Uses 9.6V Makita rechargeable batteries
- Maximum depth of cut 3/8" (8mm)
- Weight: 6lbs 5 oz. RSK-150RC with battery
- RSK-150 with battery & straight cut platen 4lbs 4oz
- B-151 Replacement Blade

PROMOTE SAFETY!

Since the Roto-Skinner is cordless and low voltage it is ideal for use in damp locations. Plus there's no linecord - you have total freedom of movement and portability.

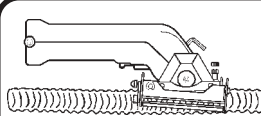

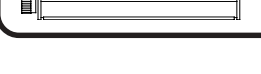

OTHER FEATURES!

The cable guide of the Roto-Skinner can be swung out of the way to cut panels up to 1/4 thick. The light weight of this tool 4 lbs., 4 oz. (1.9 Kg) including the battery pack, make it easy to handle in any position.

LIMITED WARRANTY

The Roto-Skinner has a limited warranty against defects of material or workmanship for 90 days excluding the battery pack, charger and circular cutter.
